EUROCLASS B-s1,d0
Class A ASTM E84

To decorate larger walls, the design can be expanded by length or set of panels.* A length can be used on its own for smaller walls.

Pour décorer des murs plus grands, le dessin peut être étendu par panneau ou par ensemble de panneaux.* Un seul panneau peut être utilisé seule pour des murs plus petits.

Um größere Wände zu dekorieren, kann das Design durch Paneele oder Paneel-sätze erweitert werden.* Ein Paneel kann für kleinere Wände allein verwendet werden.

Para empapelar paredes más anchas se pueden repetir tantos paneles como sean necesarios* (el último panel casa con el primero).

Om grotere oppervlaktes te decoreren, kan de tekening uitgebreid worden per paneel of per set.* Een paneel kan ook op zichzelf gebruikt worden voor kleinere muren.
